I don't need her money, I don't need a ride.
I got enough connections, I don't need a piece of her
hide.

I just wanna please her,
I just wanna squeeze her.
I just wanna crash her,
I just wanna trash her.
If I could only flag ner down,
if I could only flag her down.

Well, it's not because of her beauty and her brand new
low cut blouse.
It's not because she's so snooty or a fine famed
millionaire.

It's not 'cause she's in motion in a brand new Cadillac
car,
it's not because of her lotion, she's a real sweet candy
bar.

I just want to meet her,
I just want to squeeze her.
I just want to crash her,
I just want to trash her.
If I could only flag her down,
if I could only flag her down.
