I've been stuck, so I asked her why
She gave me acupuncture as her alibi

Shook my soul and stole my dough
Left my condition down a deep dark hole

I'm a pincushion, gotta face the facts
I'm just a pincushion, do everything she ask

I get nailed every now and then
I get my mojo working but I'm pinned again

I'm a pincushion, gotta face the facts
I'm just a pincushion, do everything she asks

I'm getting pricked around and punctured
I let my ya ya down, I got penetrated

I'm a pincushion, gotta face the facts
I'm just a pincushion, do everything she asks

I'm a pincushion, gotta face the facts
I'm just a pincushion, do everything she asks
