Ohh ohh  
Ohh

Don't send me no man, don't send me no skag  
A pin headed whore won't do  
Don't send me no square without some beehive hair  
She got to have her rhythm with blues

Gotta have a prettyhead, gotta have a prettyhead  
Gotta have a prettyhead, I said, "Pretty head"

Don't send nothin' lame, don't send nothin' tame  
A scatter brained whore won't do  
Don't send me no skang, don't send me nothin' rang  
I want it hot, righteous and blue

Gotta have a prettyhead, gotta have a prettyhead  
Gotta have a prettyhead, I said, "Pretty head babe"  
Play the guitar

So, drop dead, big red, icy head, pretty, pretty head  
Drop it [Inaudible]

Don't send me no twig, don't send nothin' big  
With a sideways, think a magic  
Don't send me no pro, don't send nothin' low  
Down and out, holdin' out whore

Gotta have a prettyhead, gotta have a prettyhead  
Gotta have a prettyhead, I said, "Pretty, pretty head"
