Well, I'm tryin', yes I'm tryin just to get a line on you

Where you been?

But I'm havin' trouble puttin' a find on you

I'm wearin' thin

Somebody else been shaking your tree.

Supposed to saving all that stuff for me.

You been hidin', yes your're hidin', you been stayin' out  
on me.

Sneakin' 'round.

Me and you ain't workin' out just like we oughta be.

You've got me down.

Somebody else been shaking your tree.

Supposed to be saving all that stuff for me.

I'm tired of foolin' around with you, and sittin' here  
alone.

It's on my mind.

I think it's time for me to find a new tree of my own.

It's plantin' time.

Anything you wanna do is cool with me.

I don't care who shakes your tree.
