It's a prime time to fall in love with you.  
I ain't got a single thing to do.  
It happened before I knew what was going on.  
I'm not allowed to know that I was born.  
Stages keep on changin'

Stages rearranging love.

Then you left me standin' all alone

I couldn't even get you on the phone.  
Were you just confused and didn't know

If you should stay or if you had to go.  
Stages keep on changin'

Stages rearranging love.

Now you're back and say you're gonna stay

I wouldn't have it any other way.  
Tell me it's for real  
ain't nothing wrong.  
Why does lovin' have to come and go?  
Stages keep on changin'

Stages rearranging love.
