"Stop Breaking Down Blues"

Every time I'm walking down the street, some pretty
mama start breakin' down on me
Stop breaking down, baby please stop breakin' down
The stuff I got'll bust your brains out baby, ooh, it make
you lose your mind

I got my baby ninety nine degree, she took my baby
threwed a pistol down on me
Stop breaking down, baby please stop breaking down
The stuff I got'll bust your brains out baby, ooh, make
you lose your mind

I can't stop walkin' down the street, but some pretty
mama breakin' down on me
Stop breakin' down, baby please stop breakin' down
Yes, you know the stuff I got'll bust your brains out
baby, make you lose your mind
Stuff'll bust your brains out baby, make you lose your
mind
Oh yeah
