It's not anything that you wanna see  
Or anything you wanna feel  
But baby, I can tell you like I tell myself  
This insanity's entirely real

I'm seeing sticks in the mud  
And veins with no blood  
And the trouble not far behind  
I'm hearing voices in my head  
Can't tell you what they're saying  
I'm afraid of all the sh\*t I might find

I'm on the threshold,  
And it's knocking me upside down  
I'm on the threshold,  
Threshold of a breakdown

I feel the devil's jaws  
Got me in his claws  
Standing at the gates of Hell  
Let me tell ya, Jack,  
I'm about to dip and fall back  
I ain't feeling so well

I'm on the threshold,  
And it's knocking me upside down  
I'm on the threshold,  
Threshold of a breakdown

I'm on the threshold,  
And it's knocking me upside down  
I'm on the threshold,  
I'm on the threshold of a breakdown  
Tippin' on the hollow ground  
Bitter aggravation  
Vicious violation  
Wait 'til it happens to you

Threshold of a breakdown  
Threshold of a breakdown  
Threshold of a breakdown
