I like to be in America, Okay by me in America.

Everything free in America, For a small fee in America.

I like the city of San Juan, I know a boat you can get on.

Hundreds of flowers in full bloom, Hundreds of people
in each room!

Automobile in America, Chromium steel in America.

Wire spoke wheel in America, Very big deal in America.

I'll drive a buick thru San Juan, If there's a road you can
drive on.

I'll give my cousins a free ride, How you fit all of them
inside?

Immigrant goes to America, Many hellos in America.

Nobody knows in America, Puerto Rico's in America.

When I will go back to San Juan, When you will shut up
and get gone.

I'll give them new washing machine, what have they got
there to keep clean?

I like the shores of America, Comfort is yours in
America.

Knobs on the doors in America, Wall to wall floors in
America.

I'll bring a T.V. to San Juan, If there's a current to turn
on.

Everyone there will give big cheer, Everyone there will
have moved here.

I like to be in America, Okay by me in America.

Everything free in America, For a small fee in America.
