So what if he is a modern day Mozart?
What has he done to ever win my heart?
So he can sing me to sleep until the sweetest dreams,
but when I wake up it's back to down on your knees.

Why can't you be with the boy who deserves you?
He said he'd die for you.
I said I'd die for you.

(And this could be) The saddest thing I ever sing.
(And we could be) A you and me.

Oh no, I'm doing this again.
I gave my heart to my best friend.
And these broken pieces you can't mend.
You played the game like it's a trend.
I'm such a trend.
I'm such a trend.

These years, years go by while I am left dry, waiting
three years in time.
That song was about you.
Now, it holds no truth...
You changed my story line.

Why can't you be with the boy who deserves you?
He said he'd die for you.
I said I'd die for you.

(And this could be) The saddest thing I ever sing.
(And we could be) A you and me.

Oh no, I'm doing this again.
I gave my heart to my best friend.
And these broken pieces you can't mend.
You played the game like it's a trend.
I'm such a trend.
I'm such a trend.

Oh no, I'm doing this again.
I gave my heart to my best friend.

And these broken pieces you can't mend.
You played the game like it's a trend.
I'm such a trend.
I'm such a trend.

I'm such a trend.
