The people I know are telling me, I am worthless.
Well, I am worthless.
And my only reply is that I'm in love with...
I'm in love with...

I'm just a boy who's looking for the girl whose got it all.
A heart and a mind, wants to spend her spare time
chasing me down, wondering if I'm around.

The people I know are telling me, I am worthless.
I am worthless.
And my only reply is that I'm in love with...
Well, I'm in love with...

Take all these shards from my glass, broken heart.
Turn them to mirrors, so I can see me while I'm down
on my knees.
My hands raised in pray, but all I can think of is what
I'm going to wear.

The people I know are telling me, I am worthless.
Well, I am worthless.
And my only reply is that I'm in love with...
Well, I'm in love with...
