And Iâ€™
I can't wait for phone calls telling me...
The summer is over.
Come over.
Come over.

And three months is ten years, when you're left
standing there.
And my heart can't go on with sad songs.

And Iâ€™
I can't wait for phone calls telling meâ€™
The summer is over.
Come over.
Come over.

Take time.
Rewind.
Tell me everything that you've seen
'Cause I will be there.
Yes, I will be there watching and waiting.
I hope you're still listening.

And Iâ€™
I can't wait for phone calls telling meâ€™
The summer is over.
Come over.
Come over.

You lie.
You lie.
I never thought this was like you.
You lie.
Yes, you lie beside me while I told you the truth.

So, let me get this straightâ€™
If we depend on fate, there is a small chance we take...
that
love will run and hide and leave me on my own tonight.

It goes:

Boy meets girl.
Destroys his world.
Tears him to pieces.
I've still got three wishes.
I hope you choke.
I hope you cry.
Just don't leave me all on my own tonight.

And Iâ€¦
I can't wait for phone calls telling meâ€¦
The summer is over.
Come over.
Come over.
