Well, I wouldn't take nothing for my journey now
Gonna make it to Heaven somehow
Though the devil tempts me and he tried to turn me
around

He's offered everything that's got a name
All the wealth I want and worldly fame
But if I could still I wouldn't take nothing for my
journey now, no, no, no

Oh, I wouldn't take nothing for my journey now
I gotta make it to Heaven somehow
Though the devil tempts me and he tried to turn me
around

He's offered everything that's got a name
All the wealth I want and worldly fame
And if I could still I wouldn't take nothing for my
journey now
Yeah, if I could still I wouldn't take nothing for my
journey now
