Santa please dont let me down
cos its that time of year
when you rock up in my town
bringing festive cheer

I wrote you letters all year long
to tell you i've been good
And now that I've done nothing wrong
I really wish you would

bring me hope and harmony and peace
leave them underneath my Christmas tree.

(Chorus)

All I want is Christmas
How it used to be
mulled wine, mince pies, old time songs
presents and a tree
All I want is Christmas
where joy and goodwill reign
peace on earth to all mankind
because its Christmas, its christmas time again

This season meant for all to share
There's magic in the night
When expectation fills the air
And The kids are tucked up tight.

I thought I heard a sleigh bell ring
Somewhere above my head
The big man's on his way with bling
Head to toe in red.

bring me hope and harmony and peace
leave them underneath my Christmas tree.

(Chorus)

All I want is Christmas
How it used to be
mulled wine, mince pies, old time songs
presents and a tree

All I want is Christmas
where joy and goodwill reign
peace on earth to all mankind
because its Christmas, its christmas time again
