He's got a face like a robbers dog girl  
What do you see in him  
Always up to summat and he's messing around  
You dont know where he's been

(Bridge)  
Give us half a chance and i'll show you I can be  
All you ever wanted I'm a first class nominee

(Chorus)  
Only time will tell if this is meant to be  
I cant tell you that you're wrong  
A moment spent with you is worth ten with someone  
else  
Could you just please play along  
yeah..play along!

He's got a bad name for himself girl  
He'll drag you down with him  
Do your best to change his ways, straighten him out  
Your chances are quite slim

(Bridge)  
Give us half a chance and i'll show you I can be  
All you ever wanted I'm a first class nominee

(Chorus)  
Only time will tell if this is meant to be  
I cant tell you that you're wrong  
A moment spent with you is worth ten with someone  
else  
Could you just please play along  
yeah..play along!

He doesnt know you like I do girl  
He'll leave you in a mess  
He's neither use nor ornament  
His heads in the clouds, you really must confess

(Bridge)  
Give us half a chance and i'll show you I can be

All you ever wanted I'm a first class nominee

(Chorus)

Only time will tell if this is meant to be

I cant tell you that you're wrong

A moment spent with you is worth ten with someone  
else

Could you just please play along

yeah..play along!
