Take my shoulder to cry  
This is deeper  
And we're all family here  
Take my hand and don't ask why  
There's a spirit and it's passing by

Don't you ever worry  
Don't you ever worry  
Don't you ever worry  
Don't you ever worry

I'll tell you a story  
Of a danger  
That we can't forget  
It starts with an F  
It gets stranger  
And it ends in use

And the same old thing  
Is haunting you forever  
When you change the frame  
The next scene gets better

Take my shoulder to cry  
It gets deeper  
It gets deeper

(Whoa)

Don't you every worry here  
All there is to fear is fear  
Don't you ever worry here  
All there is to fear is fear  
Dont you ever worry

This is deeper  
This is family  
This is deeper  
This is family  
This is deeper  
(Dont you ever worry here all there is to fear is fear)

This is family  
(Dont you ever worry here all there is to fear is fear)  
(Dont you ever worry here all there is to fear is fear)
