The sun is going down
On this island I found
She is the girl surrounded by deadly seas

Now I can sense in her eyes
She is nothing but lies
But I believed it was paradise

And I'm such a fool
I don't have a clue
Why I dive in too deep
Where the water is over my head
I dive in too deep
Where the water is over my head

Now I'm on my back
Sunk into the shore
All salty and dehydrated

I can see the irony
I believe it's killing me
I don't need another thing to sink me

And I'm such a fool
I don't have a clue
Why I dive in too deep
Where the water is over my head
I dive in too deep
Where the water is over my head

I can see the irony
I believe it's killing me
I'm sinkin'
I'm sinkin'
I can see the irony
I believe it's killing me (yeah)
I'm sinkin'
I'm sinkin'

And I'm such a fool
I don't have a clue

Why I dive in too deep

I dive in too deep

I'm sinkin'

I'm sinkin'

I dive in too deep

I'm sinkin'

I'm sinkin'

I dive in too deep

Where the water is over my head

I dive in too deep

Where the water is over my head
