

Summer Obsession, The "Wake Me Up"

Visit "[Wake Me Up](#)" on MotoLyrics.com

This is the last chance I'll get to see you before you go
And I love you so, how much you'll never know
4th of July so high, fireworks in the sky
Don't let me rest now, don't let me close my eyes

If I fall asleep
Wake me up, wake me up
If I fall asleep
Wake me up, wake me up

I tried to tell you all of this
I tried to keep you here
I missed my chance
I need you here with me tonight

If I fall asleep
Wake me up, wake me up
If I fall asleep
Wake me up, wake me up

(If I fall asleep)
(If I fall asleep)

If I fall asleep
Wake me up, wake me up
(Won't you wake me up)
If I fall asleep
Wake me up, wake me up
