Hanging on a tight rope, swinging ten stories high
Doing my best to not look down.
Feeling like a ghost in the middle of a crowded room.
I'm alone, a stranger in my own town.

Oh who will be the one to save me?
Fix me up,
Help me come around,
I'm falling now.

Don't let me go, don't let me go.
Is anybody gonna lift me up?
When you gonna come lift me up?
I'm out of my head, flat on my face.
Is anybody here listening?
When you gonna come let me in?
Don't let me go.

Spinning in the back yard where I grew up,
Lost a piece of me inside that house.
The top of that tree was the top of the world
But now it's gone,
Not a root left in the ground.

Oh just a memory, I'm chasing
Better days, but I'm far behind
Am I still alive?
Don't let me go, don't let me go
Is anybody gonna lift me up?
When you gonna come lift me up?
I'm out of my head, flat on my face.
Is anybody here listening?
When you gonna come let me in?

Cause the hardest part is holding on,
When everything has come undone.
Yeah everybody needs someone.
So when you gonna come lift me up?
When you gonna come lift me up?
Are you gonna come lift me up?
When you gonna come lift me up?

Don't let me go.

(Is it gone gone? Will it ever come back?
Is it gone gone? Will it ever come back?
Is it gone gone? Will it ever come back, will it ever
come back, will it
Ever come back.)
[X2]

Are you gonna come lift me up?
Are you gonna come lift me up?
Yeah
Don't let me go, don't let me go.
Don't let me go.
