I wake up
Six o'clock in the morning and I hit the road
I'm coming home for the holidays
Fourty eight states can't stop me, can't stop me

Chorus:
(Merry Christmas)
I'm sittin' fireside with my friends tonight
(Merry Christmas)
Ring in the new year
Everyone's right here

I could be wrapped up in a blanket in the cold
Put a cactus wrapped with lights in her front door
I could be, on her Christmas list
If she'd wish for me
(Under the tree) when she wakes in the morning

Chorus:
(Merry Christmas)
I'm sittin' fireside with my friends tonight
(Merry Christmas)
Ring in the new year
Everyone's right here

(Merry Christmas)
I won't be alone I've got love on my side
(Merry Christmas)
You won't be alone you've got love on your side

Chorus:
(Merry Christmas)
I'm sittin' fireside with my friends tonight
(Merry Christmas)
Ring in the new year
Everyone's right here

(Merry Christmas)
I'm sittin' fireside with my friends tonight
(Merry Christmas)
Ring in the new year

Everyone's right
Bring in the new year everyone's right here
