Funny, cute and kissable,  
I found a girl that makes me lose control  
Every night's like the first night  
Never getting old

Passed out on the bathroom floor  
Still drunk from the night before  
But when this party ends, get up  
And do it again

Knock me out, hit me with your punch-drunk love  
Got me figured out girl, it's not enough it's not enough  
Knock me out, hit me til you must can't stop  
It's what you're all about girl  
Just hit me with your punch hit me with your punch-  
drunk love

I like a girl that can take control  
Funny cute and kissable  
I had it figured out now my room is spinning round  
I'm not looking to settle down  
Just wanna mess around  
She walks like she knows what she's doin to me  
I said all my friends think I'm goin crazy

Knock me out, hit me with your punch-drunk love  
Got me figured out girl, it's not enough it's not enough  
Knock me out, hit me til you must can't stop  
It's what you're all about girl  
Just hit me with your punch hit me with your punch-  
drunk love

When the weekend ends  
We'll go this again  
You keep putting dirty thoughts in my head

Funny, cute and kissable,  
I found a girl that makes me lose control  
Every night's like the first night  
Never getting old

Knock me out, hit me with your punch-drunk love  
Got me figured out girl, it's not enough it's not enough  
Knock me out, hit me til you must can't stop  
It's what you're all about girl  
Just hit me with your punch hit me with your punch-  
drunk love

Knock me out, hit me with your punch-drunk love  
Got me figured out girl, it's not enough it's not enough  
Knock me out, hit me til you must can't stop  
It's what you're all about girl  
Just hit me with your punch hit me with your punch-  
drunk love
