We could like highway robbers, thick as thieves.
Let the lawman throw us in a jail cell for weeks.
But the boys in blue couldn't break up me and you.
Your daddy used to work for the FBI,
Put my face on a wanted poster "dead or alive".
So we ditched our cars and put on our running shoes.

No they don't, no they don't
Want us to be together.
No they don't know they don't
Not at all.
We could live, we could live, we could live like this
forever
You and I, you and I, on and on.
Always and forever, forever, forever
Always and forever, forever, forever.

Jumped on a train destination anywhere.
Yeah as long as I'm with you, girl I don't care.
I'll grow a mustache, you'll cut off your hair
No they don't, no they don't
Want us to be together.
No they don't know they don't
Not at all.
We could live, we could live, we could live like this
forever
You and I, you and I, on and on.
Always and forever, forever, forever
Always and forever, forever, forever.

Because I hear the sirens are calling
Pistols drawing on the ground.
There maybe a mountain in between us,
There ain't nobody gonna take us down.

No they don't, no they don't
Want us to be together
No they don't know they don't
Not at all
We could live, we could live, we could live like this
forever

You and I, you and I, on and on,
Always and forever, forever, forever
Always and forever, forever, forever.

No they don't, no they don't
Want us to be together
No they don't know they don't
Not at all
We could live, we could live, we could live like this
forever
You and I, you and I, on and on,
Always and forever, forever, forever
Always and forever, forever, forever.
