I don't wanna wait
Gotta find the way home
Cuz' since I went solo
I could get so low... oh oh oh

I don't know the way
To find what I'm searchin for
Cuz time goes so slow...
When u go solo...

Today awoke
I was alone
In a world
Of broken bones
Though I scanned horizon I saw nothing
Nothing at all

Felt I need you
In my mind

Felt I'm seein u
Though I'm blind

Your heart's still hanging in my life
And it's a matter of time cuz'

I got a fever
I couldn't check
Like judas needed
To double it

Sure thirty pieces 'betta 'betta than nothin'
Nothin' at all

If I'm seein' u
In my mind
I can see on through
And it's time
To break the chains of lonely life
It's a matter of time cuz
