Is there a lie that lights your way...

Baby

Is there a love that keeps you safe

Is there force to feel not taste

Aa...

Can it tell tell you who you hate

If you been strung a long

Maybe a way too long

Then

We're comin' to America

To violate

All of your hatred

Isolate

All of your hardest hearts

Do it all for america

We're comin' to America

To violate

All your faith and

Christ parade

It's not so cool now

Do it all for America

I'll give you this much

U got a style

I bet you're real tuff

You know your rights

But baby I'm sure

You live a lie

Never

Waste a chance

To come out swinging

Yesterday I was walking alone on the street

Wonderin who wonderin who I'd meet

Saw Jesus he was walking right next me

Told me I was was everything I had to be

So

Is there song that you love to sing...
Are there things that make you happy
Is there way calm you down
Or are you thinkin' too much now
