You can be
Whatever u want
When you're high
Walk slowly
With a spirit by your side
(Oh baby)
Don't fear if u lose your mind
Say how u doin' boy I'm feelin' fine
... when somethin' carries me away... hey hey hey
hey...

Don't think
Just take a ride
Don't believe
That jesus lied
To keep us all so satisfied
With a sale
U should know baby

Don't feel
The thorny nights
Never ask
For holy rites
Don't ya think
That god has died

This time

And don't stop
Takin' these drugs cuz' they
Got u flyin' forgettin' yesterday
Maybe it's crazy but keep gettin' stoned while u can
Baby in the lord's hands

Don't say
U know what's right

Don't take
Those alibis
Don't hate
The other side
When they're right

Sure they are baby

Don't wave
Your flag up high
Don't praise
Your concubines
Did u just
Fall for lies
This time
