Get away from me

Get your fingers out of my face

This room's so hot

This room's so hot

I break the walls

Get away from me

Leave me alone

Like the pig on the stairs

Hanging

In a groovy purple shirt

Gasping for air

I'm gasping for air

I'm gasping for love

I'm gasping for air

Slit the cats like cheese

Then eat the sweet sticky things

Suck harder suck harder

Suck your insides insides out

Blood thick swimming round your feet

As you're choking

Choking

Choking on the fleshy words  
Give me it give me it give me it  
Deaden my glassy mind  
Give me it give me it give me it  
Make me blind  
One step back and one step down  
And slip the needles in my side  
My head is cold  
My hands are cold  
My heart is cold  
My heart is black  
And stops every fucking night  
Every night  
I wait until it stops  
Sing birds sing birds sing birds sing  
Get away
