I know you've grown to hate me

Even more than you have

Grown to hate yourself

But has it really made a difference?

Sharing all that hate

With someone else?

(Chorus)

Please tell me

Are you really happy? (Christopher singing  
background)

Do you think he's really worth the pain?

Tell me

Are you really happy?

Or did you simply throw our life away

Just to be unhappy?

Does he worship and adore you?

Does he make you feel so

Beautifully complete?

Is your life so much better now?

Or do the same

Old demons haunt just me?

(Chorus)

Is he everything you've dreamed of?

I'd imagine he is

So much more than me

You know I tried to make you happy

But I believe

You thrive on misery

(Chorus
