"High"

I can't hide it

I can't find it

When every nerve is

Crying out for release

I can't capture

The rapture

That passion that is

Burning inside me

I've lost so much

Chasing the perfect high

I've lost so much

(Chorus)

I've never been as high as I was with you

Never been so high

I've never been as high as I was with you

I finally realized that's a perfect high

That's a perfect high

This hunger

It consumes me

I lost my soul as you came rushing

In my veins

A pathetic

Little junkie

But I'm the whore

That needs it one last time

I've lost so much

Chasing the perfect high

I've lost so much

(Chorus)(x2)

That's a perfect high (x5
