"Perfect"

Lately I've noticed

How much you've changed

Even though you swear

You're the same

So why do I feel

A million miles away?

Why do I feel

Like we're broken?

(Chorus)(x2)

Why can't it be

Perfect like it used to be?

Why can't we be

Perfect?

Perfect is how I

Once described our love

But that was before

We fell apart

So why do I feel

A million miles away?

Why do I feel

Like we're broken?

(Chorus)(x2)

It used to be perfect (x3)

Lately I've noticed

How much you've changed

Even though you swear

You're the same

(Chorus)(x2)

It used to be perfect (x10)
