"Save Yourself"

I know your life is empty
And you hate to face this world alone
So you're searching for an angel
Someone who can make you whole
I cannot save you; I can't even save myself.
So just save yourself (save yourself)
I know that you've been damaged
your soul has suffered such abuse
but I am not your savior
I am just as fucked as you
(I am just as fucked as you)
I can not save you; I can't even save myself.
So just save yourself.
Please don't take pity on me.
Please don't take pity on me.
Please don't take pity on me.
Please don't take pity on me.
Please don't take pity on me.
my life has been a nightmare.
my soul is fractured to the bone
so if I must be lonely

I think I'd rather be alone...

(I think I'd rather be alone)

you cannot save me

you can't even save yourself.

I cannot save you...I can't even save myself.

Save yourself

So just save yourself
