I only see myself reflected in your eyes
So all that I believe I am essentially are lies
And everything I've hoped to be or ever thought I was
Died with your belief in me so who the hell am I?
I don't know if I'm real without you
What is left of me without you?
I don't know what's real with you
How can I exist without you?
I'm wandering around confused
Wondering why I try
The more that you deny my pain
The more it intensifies...
I pray for someone to ache for me the way I ache for
you
If you ignore that I'm alive
I've nothing to cling to
I don't know if I'm real without you
What is left of me without you?
I don't know what's real without you
How can I exist without you?
I stare in this mirror

So tired of this life

If only you would speak to me or care if I'm alive

Once I swore I would die for you

But I never meant like this

I never meant like this

I don't know if I'm real without you

What is left of me without you?

I don't know what's real without you

How can I exist without you
