"Slipping Away"

I feel it slipping away
I feel it slipping away
I gave it all but no one cared
I feel it slipping away
I feel it slipping away
my God it's slipping away
I gave it all but no one cared
I feel it slipping away
I feel it slipping away
I feel it slipping away
no more pain and no more fear
I feel it slipping away
I just can't learn to forget
I'm choking on the memories
choking on regret
I tried but I can't find a way
to untangle all the pieces
after they've been thrown away
I will not suffer this loss
of you again and again and again
I refuse to continue to live

in this perpetual nightmare

I decide it ends right here

I feel it slipping

I feel it slipping

everything is slipping away
