"So wrong"

wasted thoughts of you
desperate prayers to you
give me back my mind
I'm empty inside
what have I become?
everything's undone
a candle burns here in your honor
my soul a shrine i've built for you
there's nothing left inside me
nothing left inside but you
can't seem to pretend
this night needs to end
I can't fill this hole
you are all i know
it's so wrong that I need you
it's so wrong that I need abuse
it's so wrong that I need you
so wrong that I'm scared I'll die alone
