If you want to say what you dream in your mind  
And this dream is  
Kill this fuckin' police state  
If you'd like to change the unwritten laws  
Which make you on your own

Why are you not able  
To give me a meaning  
Try to give me an excuse but  
I know you can't do it  
As we know theres nothing gonna change  
If we won't move our ass

[Chorus]  
LET'S CHANGE THIS FUCKIN' SITUATION  
Screaming out these words  
LET'S ENJOY THE CLUB-FIGHT-NATION  
LET'S FIGHT THIS STATAL MASTURBATION  
And as you know we can break their heads

I know I won't respect  
The justice they are showing  
And I'm thinking to turn  
The way now they are walking  
Cause I am the fightin' person mad  
They'd like to wipe out
