I know I shouldn't ask it to you any longer
But I'll follow my heart till I won't realize
You're laughing as I am tipsy
But I use to booze only on Saturday nights
I hate the puns
So I'll get straight to the point of my question,
You left me and all slumps on my fuckin' life
I never knew you were so important
And now I can't rebuild an ordinary life

So hear me,
We can have us again,
Please try to make better our darling liar feelings
And don't smell me cause I'm sweating like a pig
And since you left me
No one tells me I gotta wash myself

[Chorus]
Uooo
GIVE ME THAT POSSIBILITY
Uooo
I'M THE GREATEST LOVER OF THE WORLD
Uooo
WE CAN BUILT A MASTERPIECE
AND I'M FOND OF YOU TILL I DIE

I'll never say no to you
And never be unfaithful
I'll always do what you want me to do
And I'll leave all my old likes
And surely all the next nights
I will be your sweet slave
