"Indigo girl"

you're my little indigo girl
indigo eyes, indigo mind
and you're my little indigo girl
indigo smile, indigo frown
and I saw you crashing in, and I saw you crack a smile
I want you to be mine tonight
'cos you're my little indigo girl
it's a beautiful world, when you're around
it's a dream, it's a love
tonight
'cos every night I realize I need you close to me
but every night I compromise I lie here all alone
I long for you, my little indigo girl
it's a beautiful world
you are the queen and I'm the king
my little indigo girl, it's a beautiful world
when you're around
you are the queen, the queen of me
the queen of love, my lovely queen
oh tonight
tonight

tonight

oh tonight

tonight

my queen tonight

tonight

oh tonight

tonight

tonight
