Ooh...ooh...ooh...ooh...ooh...ooh...ooh...ooh...  
Ooh...ooh...ooh...ooh...ooh...ooh...ooh...ooh...

[We better try]  
[Try to get ourselves together, baby]  
Oh, we, oh, we better try  
Try to get ourselves together, baby

Oh, girl, I swear Ive got to talk to you  
Theres something that I feel we need to do  
Lets take the time to try to figure out  
Whats happened to us, baby, whats it all about

Were getting further from each other every day  
We cant just sit by and watch love walk away  
If we dont try to save the love we got  
Once we lose it, girl, were gonna lose a lot

Oh, we, oh, we better, girl, try  
Try to get ourselves, baby  
We, oh, we better, girl, try  
Try to get ourselves, baby

Weve had it hard, weve had it cold, weve had it rough  
It never changed a thing between the two of us  
We always found a way to face it all together  
We need each other now, darling, more than ever

Weve got to find the love we used to know  
Oh, if we find that love well learn to let it go  
Oh, what a shame if we lose all that  
Cause once we lose it, girl, we never get it back

Girl, we better, oh, try  
Try to get ourselves, baby  
We, oh, we better, oh, try  
Try to get ourselves, baby

We, oh, we better

Were getting further from each other every day

Oh, we cant just sit by and watch love walk away  
If we dont try to save the love we got  
Once we lose it, girl, were gonna lose a lot

Oh, we, we better try  
Try to get ourselves, baby  
We, oh, we better try  
Try to get ourselves, baby

We, oh, we better try  
Try to get ourselves, baby  
We, oh, we better try  
Try to get ourselves, baby

We, oh, we better try  
[Try to get ourselves, baby]  
[We better try]  
[Try to get ourselves, baby]

[We better try]
