Nothin and nobody
Baby, could ever take or stop
The love that I have for you
Its very simple, you see its
Baby, its real
Its so, so real
What I feel

Ill do for you anything you want me to
Youre my world, my hopes and dreams
Without you, girl, it dont mean a thing
For you Ill do anything you want me to
Youre my world, my hopes and dreams
Without you, girl, it dont mean a thing

I never thought that I would be knowin
The kind of love that you have been showin
The way you do the beautiful things you do
You really know how to make me love you

Uh, ah, cant you see I want it
Ooh, uh, girl, Ive been lon-lonely
Ooh, ooh, got to, got to hold you
Ooh, ooh, got to make love to you

Cant you feel the fire
Im burnin up from one desire
The thrill from loving you
I cant help myself, I swear its true

Ill do for you anything you want me to
Youre my world, my hopes and dreams
Without you, girl, it dont mean a thing
For you, girl, Ill do anything you want me to
Youre my world, my hopes and dreams
And without you, girl, it dont mean a thing

I never thought that I would be feeling
Love so strong for so long and still willin
To give you all the love Ive got to give
For as long, as long as Im chilling

Uh, ah, cant you see I want it
Uh, uh, girl, Ive been lon-lonely
Ooh, ooh, now I got to hold you
Ooh, ooh, gonna make love to you

Girl, Ill go insane
If you ever take
The love I feel for you
I cant help myself, I swear its true

Ill do, girl, for you anything you want me to
Youre my world, my hopes and dreams
Without you, girl, it wont mean a thing
No, no
No, no, no, no, no
No, no
Uh...

Ill do, girl, for you anything you want me to
Youre my world, my hopes and dreams Without you,
girl, it dont mean a thing For you Ill do
