I made a promise to myself
Never again
TO get burned by someone else
Untill you walked in

I felt the old magic begin
I felt the room startin' to spin
As my will come tumbling down

(Chorus)
I can't help it if I'm blindhearted
Fallin' again
I cant help it if my life has started
Slowly cavin' in
And i keep on holdin' out for you
Oh , I guess i'm just a blindhearted fool

I've got to find a way to live
On my own
I need to find someone who'll give
Me love thats strong

It's like a race against time
Untill your face enters my mind and
You still
Burn me to the ground

(Chorus)

Tell everyone to gather 'round
They won't believe the view They're looking at a
blindhearted foold
Over you
