Alone again tonight
without someone to love
The stars are shining bright
So one more wish goes up
Oh, I wish I may
And I wish I with all my might
For the love I'm dreaming of
And missing in my life

You'd think that I could find
A true love of my own
It happens all the time
To people that I know
Their Wishes all come true
So I've got to believe
There's still someone out there who
Is meant for only me

(Chorus)
I guess i must be wishin'
On someone else's star
It seems liek someone else
Keeps getting what i'm wishin' for
Why can't I be as lucky as those other people are
I guess I must be wishin'
On someone else's star

I sit here int he dark
and stare up at the sky
But I can't give my heart
One good reason why
Everywhere I look
It's lovers that i see
Seems like everyone's in love
with everyone but me

(Chorus)

Why Can't I be as lucky
As those other people are
Oh I guess I must be wishin' On someone else's star
