Its quite possible that Im your third man girl
But its a fact that Im the seventh son
Its quite possible that Im your third man girl
But its a fact that Im the seventh son

And right now you could care less about me
But soon enough you will care, by the time Im done

Lets have a ball and a biscuit sugar
And take our sweet time about it
Lets have a ball girl
And take our sweet little time about it
Tell everybody in the place to just get out
Well get clean together
And Ill find me a soapbox where I can shout it

Read it in the newspaper
Ask your girlfriends and see if they know
Read it in the newspaper
Ask your girlfriends and see if they know

That my strength is ten fold girl
Ill let you see it if you want to before you go

Lets have a ball and a biscuit sugar
And take our sweet little time about it
Lets have a ball
And take our sweet little time about it
Tell everybody in the place to just get out
Well get clean together
And Ill find me a soapbox where I can shout it
(And I can think of one or two things to say about it)
(Listen)

Dyou get the point now?

Its quite possible that Im your third man
But its a fact that Im the seventh son
It was the other two which made me your third
But it was my mother who made me the seventh son
And right now you could care less about me

But soon enough you will care by the time Im done

Stick around, youll figure it out
