You got a reaction  
You got a reaction, didn't you?  
You took a white orchid  
You took a white orchid and turned it blue

Something better than nothing  
Something better than nothing, it's giving up  
We all need to do something  
Try to keep the truth from showing up

How dare you  
How old are you now, anyway?  
How dare you  
How old are you now, anyway?

You're given a flower  
But I guess there's just no pleasing you  
Your lip tastes sour  
But you think that it's just me teasing you

You got a reaction  
You got a reaction, didn't you?  
You took a white orchid  
You took a white orchid and turned it blue

Get behind me  
Get behind me now, anyway  
Get behind me  
Get behind me now, anyway

You got a reaction  
You got a reaction, didn't you?  
You took a white orchid  
You took a white orchid and turned it blue
