[why don't you open me up?]
Candycane Girl, don't you know your name girl?
[yeah!]
12 people gunna ask you just the same girl.
What a world! Christmas once a year girl.
That's 364 tears girl.
So when Christmas finally comes and nobodys got a
gun
and you think it might be fun to hang around...
think again girl!
[why don't you open me up...huh?]
Candycane boy, don't you know your name boy?
9 people gunna tell you just the same boy.
You're alone son in the middle of a million
and nobody knows how to talk to children
Oh when Christmas finally comes and nobodys got a
gun
and you think it might be fun to get a new toy.
Think again boy!

Oh when Christmas finally comes..and noones got a
gun
and you think it might be fun to make a stand
think again man!
