Fell in love with a girl
I fell in love once and almost completely
shes in love with the world
but sometimes these feelings
can be so misleading
she turns and says "are you alright?"
I said "I must be fine because my heart's still beating"
come and kiss me by the riverside, yeah bobby says its
fine he dont consider it cheating now
Red hair with a curl
mellow roll for the flavor
and the eyes for peeping
cant keep away from the girl
these two sides of my brain
need to have a meeting
cant think of anything to do yeah
my left brain knows that
all love is fleeting
shes just looking for something new yeah
and I said it once before
but it bears repeating now

cant think of anything to do yeah
my left brain knows that
all love is fleeting
shes just looking for something new yeah
and I said it once before
but it bears repeating now
