Dont make me listen to this stupid broken record again  
The needles skipping and repeating, never reaching  
the end  
You know your bitching and complaining like you got it  
so tough  
We're sick of all your crying; Will you ever shut up?

Keep bleeding your fake blood  
Though no one even see's it  
If that's the best you can make up  
At least act like you mean it

### CHORUS

Give up the grudge  
Shut your f\*cking mouth  
Why you gotta judge everybody but yourself?  
Take a look around you  
There ain't nobody home  
I may be a loser  
But at least I'm not alone

Who-o-o  
Who-o-o  
Who-o-o  
Who-o-o

Your Mercedes wont start, yeah  
That's a crying shame  
I guess 90 K a year buys nothing but complaints  
The people in the neighbourhood think that I'm a threat  
While the boss gets richer they get deeper in debt

So keep bleeding your fake blood  
Though no one even see's it  
If that's the best you can make up  
At least act like you mean it

### CHORUS

Give up the grudge  
Better shut your mouth  
Why you gotta judge everybody but yourself?

Take a look around you  
There ain't nobody home  
I may be a loser, BUT AT LEAST IM NOT ALONE
