I just dont know what to do with myself
I dont know what to do with myself
planning everything for two
doing everything with you
and now that were through
I just dont know what to do
I just dont know what to do with myself
I dont know what to do with myself
movies only make me sad
parties make me feel as bad
cause Im not with you
I just dont know what to do
like a summer rose
needs the sun and rain
I need your sweet love
to beat love away

well I dont know what to do with myself
just dont know what to do with myself
planning everything for two
doing everything with you
and now that were through
I just dont know what to do
like a summer rose
needs the sun and rain
I need your sweet love
to beat love away

I just dont know what to do with myself
just dont know what to do with myself
just dont know what to do with myself
I dont know what to do with myself
