Jolene, Jolene, Jolene, Jolene.
I'm begging of you please don't take my man.
Jolene, Jolene, Jolene, Jolene.
Please don't take him even though you can.

Your beauty is beyond compare,
with flaming locks of auburn hair,
with ivory skin and eyes of emerald green.
Your smile is like a breath of spring,
and your voice is soft like summer rain.
And I can not compete with you Jolene.

And he talks about you in his sleep,
and there's nothing I can do to keep
from crying, when he calls your name, Jolene

Jolene, Jolene, Jolene, Jolene.
I'm begging of you please don't take my man.
Jolene, Jolene, Jolene, Jolene.
Please don't take him even though you can.

Well I can easily understand
how you can easily take my man,
but you don't know what he means to me Jolene.
Well you can have your choice of men,
but I could never love again.
He's the only one for me, Jolene.

And I had to have this talk with you.
My happiness depends on you,
and whatever you decide to do

Jolene, Jolene, Jolene, Jolene.
I'm begging of you please don't take my man.
Jolene, Jolene, Jolene, Jolene.
Please don't take him even though you can.
