(Can you hear me callin' your name girl?)

(I am standin', standin' in the red, red rain)

(In the mornin', standin' in the red, red, rain)

Can't you hear me? Can you hear me callin' your name,
girl?

In the mornin', while I'm standin' in the red, red rain girl

(In the mornin', standin' in the red, red rain)

Can't you hear me? Can you hear me callin' your name,
girl?

In the mornin', while I'm standin' in the red, red rain girl

You think not tellin' is the same as not lyin', don't you?
Then I guess not feelin' is the same as not cryin' to you
You think not tellin' is the same as not lyin', don't you?
Then I guess not feelin' is the same as not cryin' to you

In the red! In the rain
In the rain
In the red! In the red!
In the rain, in the rain
In the rain! In the rain!
In the rain! In the rain!
In the red! In the red!
In the rain! In the rain!

If there is a lie, then there is a liar too
If there is a sin, then there is a sinner too
And if there is a lie, then there is a liar too
And if there is a sin, then there is a sinner too

In the red! In the rain
In the rain
In the red! In the red!
In the rain, in the rain
In the red! In the red!
In the rain! In the rain!

In the red! In the red!
In the rain! In the rain!
In the red! In the red!
In the rain! In the rain!

(Don't you hear me, can't you hear me callin' your
name girl?)
