i don't know her name  
not a thing about her  
all i know is that she's got a big fat mullet  
don't know what goes on inside her head  
not a clue  
i just hope she doesn't try to cut it  
oh yeah i'm in love with her hair  
she could be anyone  
i don't even care  
when i see her hair  
my eyes automatically stare  
watching the eighth wonder of the world  
and i guess this is fate  
another day i have to wait  
until i see that doo  
oh yeah i'm in love with her hair

she could be anyone  
i just don't even care  
and i know its getting rough  
she's coming down with a bad case of dandruff  
mullet girl  
i don't know her name  
not a thing about her  
all i know is that she's got a big fat mullet  
don't know what goes on inside her head  
not a clue  
i just hope she doesn't try to cut it  
oh yeah i'm in love with her hair  
she could be anyone  
i don't even care
