Trying to catch your heart is like trying to catch a star!
(x7)
That must be what you are...

Waitin' for a star to fall!
Carry your heart into my arms,
That's where you belong, in my arms, babe, yeah!
(x4)

waitin' waitin, waitin' waitin' waitin'.....

Trying to catch your heart is like trying to catch a star!
(x7)
that must be what you are...

Waitin' for a star to fall!
Carry your heart into my arms,
That's where you belong, in my arms, babe, yeah!
