Trying to catch your heart is like trying to catch a star is
like

Trying to catch your heart is like trying to catch a star is
like

Trying to catch your heart is like trying to catch a star is
like

Trying to catch your heart is like trying to catch a star..

Trying to catch your heart is like trying to catch a star is
like

Trying to catch your heart is like trying to catch a star..

Trying to catch your heart is like trying to catch a star..

That must be what you are!

[repeating 4x]

Waiting for a star to fall
And carry your heart into my arms
That's where you belong
In my arms baby, yeah

waiting.....
I don't like waiting...
gotta keep waiting...
waiting...for u
waiting...
